EXPERIENCE

Digital Marketing Freelancer — Self-Employed

January 2025 – October 2025 (Part-time) · Remote

- Executed targeted Facebook Ads and Google Ads campaigns, leveraging analytics to maximize return on ad spend and attract qualified leads for client businesses.
- Applied on-page and off-page SEO techniques (keyword research, meta tags, backlink building) to improve client website visibility and organic search rankings.
- Self-motivated, with a strong sense of personal responsibility, and skilled at working independently and collaboratively in a team environment.

Sales Manager — Kasur International Travel & Tours

March 2025 – September 2025

- Handled customer relations issues, enabling quick resolution and client satisfaction.
- Increased sales revenue by developing and implementing effective sales strategies.
- Maintained and grew the client base by identifying customer needs and offering appropriate services.
- Built long-lasting client relationships through excellent customer service and consistent follow-up.
- Assisted the sales team with completing customer transactions and resolving issues, maintaining high levels of customer trust.

Web Developer Intern — Tech Hub

August 2024 – March 2025

- Developed user interfaces with modern JavaScript frameworks, HTML5, and CSS3.
- Built interactive prototypes using HTML, CSS, JavaScript, and jQuery for client presentations and feedback sessions.
- Developed user-friendly web forms with validation and error handling.
- Enhanced website functionality by optimizing existing code and implementing new features.

Teacher — The Concept School System

October 2024 – February 2025 (Part-time)

- Built strong relationships with students, parents, and colleagues through open communication and a supportive learning environment.
- Managed classroom behavior effectively by setting clear expectations and consistently enforcing rules.
- Enhanced classroom engagement through interactive teaching methods such as group projects and hands-on activities.
- Strengthened students' critical thinking and problem-solving skills through project-based learning.

EDUCATION

Bachelor of Science in Information Technology

Education University Lahore — Lahore, Pakistan · 2025
